Registration Fee

- ❖ **There is a \$75.00 registration fee per child.** This fee is charged when the student enrolls and must be paid on day student enrolls along with the first payment of your payment plan. If you enroll more than one student-each student will have a separate registration fee that must be paid on the day the student enrolls.
- ❖ Diagnostic testing is a testing fee of \$50.00 and is only done on an as needed basis.

Tuition Charge:

	<u>Semester</u>	<u>1 Year</u>
FIRST Child-----	\$400.00-----	\$600.00
SECOND Child-----	\$300.00-----	\$500.00
THIRD Child-----	\$200.00-----	\$400.00

- ❖ Senior fee is \$25.00.
- ❖ A full tuition for each child covers **one year's time (enrollment date of one year to the same date of the following year) or 12 paces in each subject (5 required subjects for grades 1-8 and 6 subjects for high school, 9-12) which ever comes first. A semester's time is 6 months from the date you enrolled.** This also includes maintenance of all school records, grading of tests, report cards, transcripts, etc.
- ❖ If your child finishes all required work for the current grade level and it is **not** time to re-enroll, then he/she may continue on to the next grade level by paying \$3.00 per pace until 4 weeks prior to the re-enrollment date. You are only allowed to receive **three** paces per subject at any time, **YOU MUST TURN IN THE PACES TO BE CHECKED**, and you have until **4** weeks prior to re-enrollment to do so. However, if your child has not completed the current grade level and a full year (12 months) has passed since the last enrollment, you would then need to re-enroll in order to receive the remaining work regardless of the account balance. If a pace or score key is lost you may purchase another one for \$3.00 each.
- ❖ If you attempt to do two years in one and then transfer to another school, please be aware that school may or may not accept it. So you will want to ask the school you are transferring to before you decide to go on to the next level.
- ❖ We are only allowed to offer you the opportunity to do **two** grade levels in one year. Therefore you may not do more than 144 Pace's or 12 credits in one year.
- ❖ A semester fee of \$400.00 plus registration is required if you need 1 to 3 credits. A full year's tuition plus registration is required if more than 3 credits are needed.
- ❖ Senior's must score within the **norm or above** on the A.C.T., SAT, or Achievement test in order to receive a Diploma. If the Achievement test is to be retaken there will be a required fee of \$25.00 per test.
- ❖ Students in grades 1-11 who do not score within the norm or above on the Achievement test could be retained to the previous grade level should they return to public school. Public schools **may or may not** choose to exercise this right.
- ❖ Report cards will not be given if your account is in arrears or if score keys and reading materials are not turned in. A charge will be added to the account if any Home School material is not turned in.
- ❖ Achievement test results are not given out until the entire account has been paid in full.
